

Pittsburgh Pa 24 November 1933.

My dear Mr. ...

I have received your letter of the 20th and am glad to hear from you. I am well at present and hope these few lines will find you the same. I have not much news to write at present. I am still in the hospital and am not yet able to go out. I am, however, getting on my feet and am able to walk a little. I am sure you will be glad to hear that I am still alive and well. I am, of course, still in the hospital and am not yet able to go out. I am, however, getting on my feet and am able to walk a little. I am sure you will be glad to hear that I am still alive and well. I am, of course, still in the hospital and am not yet able to go out. I am, however, getting on my feet and am able to walk a little. I am sure you will be glad to hear that I am still alive and well.
